Volvo XC60 Named Autotrader Must Test Drive Winner

ROCKLEIGH, N.J. (March 13, 2018) – The new Volvo XC60 luxury SUV has been named an “Autotrader Must Test Drive” winner.

The Autotrader Must Test Drive Awards is intended to benefit a broad set of shoppers by highlighting a diverse group of 12 vehicles that simply must be seen and experienced to believe. Logging thousands of miles, the Autotrader editorial experts chose the winners of the annual Must Test Drive Awards based on a wide-ranging set of criteria, including interior comfort and materials, available technology features and ride quality, each vehicle was selected unanimously by the entire editorial team.

Completely redesigned for 2018, the XC60 is an SUV not designed to look down on others, but to drive. The exterior has an athletic stance thanks to Volvo’s Scalable Product Architecture platform (SPA) with exquisite details including signature Thor’s Hammer headlights.

The interior is a masterful composition of well-resolved architecture, beautiful materials and the very latest technology - all perfectly blended together. The XC60 provides a true Scandinavian experience that has proven popular with the award-winning XC90.
