Greg Nee

Greg Nee
Digital, USA and Canada

In January 2020, Greg was named head of Digital, USA and Canada. He joined Volvo in June 2017 as Director of Project Management, and his role quickly expanded to include technical architecture, data integration, and business intelligence.

Greg has over 18 years of experience in the digital industry, with a focus on project and program management across custom software development, packaged software implementations, and infrastructure. Greg previously worked for Volkswagen Group of America, leading the creation and launch of a new nationwide dealer order management solution. He has consulted in enterprise resource planning, enterprise content management, and custom software development.

A graduate from George Mason University, Greg earned his Bachelor of Science in Information Technology.

Greg resides in New Jersey with his husband, Ron, and their two goldendoodles.
