What's new: 2003 Volvo V70

V70 2.4

- Single in-dash CD audio system is now standard.
- Leather steering wheel and gearshift knob are standard.
- Two new colors, Ruby Red metallic (replaces Venetian Red) and Titanium Grey are available.
- A new 2.4-liter naturally aspirated SULEV+ (Super Ultra Low Emission Vehicle) engine with 165 horsepower. Torque is unchanged. This engine will only be offered in California.
- A variant without moonroof or leather for both manual and automatic is now available.

Premium Package

The 2003 Premium Package now includes ECC, wood trim and trip computer in addition to moonroof, leather and power driver's seat.

Touring Package

Now includes IAQS, Interior Air Quality Sensor.

Versatility Package

12-volt outlet located next to third seat replaces former trash bin.

Climate Package

The Cold Weather Package has been renamed the Climate Package. It now includes a new option known as Rainsensor. Rainsensor replaces the intermittent wiper control and automatically adjusts wiper speed bases on the amount of water sensed on the windshield.

Other Options

The Volvo On Call Plus telematics/mobile phone is a new option for 2003. A 12-month subscription is included.
