What's new: 2003 Volvo S60

S60 2.4

- Single in-dash CD audio system is now standard.
- Leather steering wheel with Volvo ironmark symbol and gearshift knob are both standard.
- New 15-inch "Musca" alloy wheel replaces former "Lysithea" design.
- Two new colors, Ruby Red metallic (replaces Venetian Red) and Titanium Grey, are available.
- A new 2.4 naturally aspirated SULEV+ (Super Ultra Low Emission Vehicle) engine with 165 horsepower. Torque is unchanged. This engine will only be offered in California.
- S60 2.4 manual transmission model is now available with a power moonroof.
- A variant without moonroof or leather for both manual- and automatic-equipped cars is now available.

Premium Package

The 2003 Premium Package now includes Electronic Climate Control, wood trim and trip computer in addition to a moonroof and leather-covered power driver's seat.

Touring Package

Now includes IAQS, Interior Air Quality Sensor.

Sport Package

New for 2003, the Sport Package includes a new 16-inch "Ursa" alloy wheel design and front fog lights.

Climate Package

The Cold Weather Package has been renamed the Climate Package. It now includes a new option known as Rainsensor. Rainsensor replaces the intermittent wiper control and automatically adjusts wiper speed based on the amount of water sensed on the windshield.
