Volvo Cars Electrifies Hotel Partner Program in the U.S.

MAHWAH, NJ, September 15, 2025 – Today, Volvo Car USA announced an electrification expansion to its hotel partner portfolio of properties across the US. Since 2018, the automaker has partnered with world-class hotels like [The Dewberry Charleston](#) and [The Colony Hotel](#) in Palm Beach to provide premium vehicles for guests to experience during their stays.

The [Volvo EX90](#), the company's fully electric flagship and [winner of the 2025 World Luxury Car award](#), is now integrated into the guest experience at select partner properties across the country. Whether being picked up from the airport, driven to town for a dinner reservation or used to explore local attractions, the car is woven into the day-to-day operations of these luxury partners. Assembled in South Carolina, the Volvo EX90 offers up to 310 miles* of electric range with a refined Scandinavian design, and advanced safety features to deliver a premium driving experience. Equipped with Google built-in**and wireless Apple CarPlay, drivers can seamlessly stream their favorite music and remain connected with always-on 5G connectivity; thanks to regular over-the-air updates, EX90's features will continually improve and grow over time.

To support hotel partners on their ambitions towards a more sustainable future, Volvo Cars will also offer branded ChargePoint Home Flex units to properties that do not have existing charging infrastructure, enabling a more seamless experience for guests and staff.

- "We are thrilled to build upon the success of our existing hotel partner program to introduce these luxury properties to the Volvo EX90. Travelers are increasingly looking for experiences that are unique and premium, and the EX90 delivers that to hotel guests while complementing our partners' exceptional hospitality." – Kelly Mason, Head of Communications, Volvo Car Americas.
- "Volvo Cars has been an integral part of The Dewberry experience since 2018, offering guests a luxurious way to explore the city. As we transition our house cars to the fully electric Volvo EX90—assembled just miles from our hotel—we're not only elevating the guest experience but also advancing our shared commitment to sustainability. With new on-site charging stations and a LEED-certified building, our continued partnership supports the growing demand for sustainable travel." - John Dewberry, Owner, The Dewberry.
- "The Volvo EX90 reflects the sophisticated lifestyle of Palm Beach, offering our guests a premium driving experience that is both environmentally conscious and indulgent. We take pride in our ongoing collaboration with Volvo Cars, a brand that shares our dedication to style, comfort, and excellence, ensuring that every moment at The Colony is unforgettable." – Sarah J. Wetenhall, Owner & CEO, The Colony Hotel, The Hedges Inn.

Existing Volvo car owners enjoy an exclusive 10% discount at Volvo's hotel partner properties and/or enjoy an upgrade at check in – reach out to the hotel concierge at time of booking for more information***. Additionally, Volvo Car USA will offer a \$1,500 discount to guests who are interested in purchasing a EX90 after experiencing it firsthand at one of our hotel partners.

Volvo Car USA currently partners with twenty-seven luxury hotel partners in the U.S. This includes select fifteen Relais & Châteaux properties and additional hotel partners across the Northeast, Southeast and Western regions of the country.

- Northeast Region Properties: Cliff House, Glenmere Mansion, Chatham Inn, Castle Hill Inn, Bedford Post Inn, Winvian Farm, Weekapaug Inn, Twin Farms, Inn at Hastings Park and The Rockaway Hotel.
- Southern Region Properties: The Colony Hotel, The Dewberry, Tides Inn, The Ivy, The Sanctuary in Kiawah, The Swag, Old Edwards Inn and The Boca Raton.

- Western Region Properties: L'Auberge Carmel, Inn of the Five Graces, Enchantment Resort & Mii Amo Spa, Carmel Valley Ranch, Farmhouse Inn, Ventana Big Sur, Hotel Les Mars and The Tributary Hotel.
