

Terranor wins two municipality contracts in Helsingborg worth SEK 105 million

30 January 2026

Helsingborg stad has today announced its intention to award two public tenders for operation and maintenance in Helsingborg, Sweden, to Terranor AB, a subsidiary of Terranor Group. The contracts are Byar Söder and Centrum Norr and have estimated annual order values of SEK 11.4 million and SEK 23.4 million respectively over three years, corresponding to approximately SEK 104.6 million in total for the entire contract periods. The contracts will commence on 1 May 2026 and run until the end of April 2029 and have options for additional six years.

The contracts establish Terranor in Helsingborg and cover the operation and maintenance of public areas, including green spaces, playgrounds, and ground coverings.

"We are proud to have been selected for these two contracts in Helsingborg, which establish Terranor in a new and strategically important municipality. The assignments align well with our existing portfolio and reflect our strong offering," says Andreas Johansson, Area Manager at Terranor AB.

In accordance with customary procurement procedures, a mandatory standstill period of 10 days will apply before the contract can be formally signed.

About Terranor

Terranor is one of the leading players in road maintenance in the Nordic region. The Company's business concept is to offer a wide range of qualified services in road operation and maintenance to ensure that roads remain accessible and functional all year round. The business covers both winter road maintenance, with snow removal and anti-slip protection, and summer maintenance, such as repairs and asphalt work. In addition, Terranor offers services in green area management, road safety and light infrastructure projects. Through operational efficiency, Terranor has achieved a high and profitable growth.
