

Terranor wins operation and maintenance contract in Norrköping worth SEK 52 million

27 March 2026

Norrköping Municipality has announced its intention to award a public tender for operation and maintenance of municipal roads over four years of area 2 in Norrköping, Sweden, to Terranor AB, a subsidiary of Terranor Group. The agreement is valued at approximately SEK 52 million for the full contract period. The contract will commence on 1 October 2026 and run until 30 September 2030, with an option to extend the contract by up to four additional years.

The contract covers the operation and maintenance of roads, footpaths and cycle paths, bridges, engineering structures and parks. Area 2 covers the western parts of Norrköping municipality.

“We are delighted to have been entrusted once again to continue our partnership with the Norrköping municipality by being awarded the operation and maintenance contract for area 2 in Norrköping. Terranor is already responsible for areas 3 and 4 in the municipality of Norrköping, which creates favourable conditions for effective coordination and the continued high quality of services provided to the municipality”, says Niklas Kock, Operations Manager at Terranor AB.

In accordance with customary procurement procedures, a mandatory standstill period of 10 days will apply before the contract can be formally signed.
