

# Terranor wins operation and maintenance contract in Järvenpää worth SEK 116 million

24 April 2026

The City of Järvenpää has contracted Terranor Oy, a subsidiary of Terranor Group, for operation and maintenance of city roads over four years in Järvenpää in southern Finland. The agreement is valued at EUR 10.7 million (approximately SEK 116 million) for the full contract period. The contract will commence on 1 October 2026 and run until 30 September 2030.

The City of Järvenpää is located in southern Finland and is part of the greater Helsinki metropolitan area. The contract covers winter and summer maintenance of roads in Järvenpää. Terranor has been managing the area since fall 2025 under a temporary contract, which will now continue as a four-year contract.

*"We are proud that Terranor Oy has been entrusted to continue its contract in Järvenpää for a four-year period. The contract is a valuable addition to our contract portfolio as it strengthens our position in Southern Finland. We look forward to continuing the collaboration in improving road safety",* says Iisko Rossi, Head of operations at Terranor Oy.
