About Terrator

Terrator is one of the leading players in road maintenance in the Nordic region. The Company's business concept is to offer a wide range of qualified services in road operation and maintenance to ensure that roads remain accessible and functional all year round. The business covers both winter road maintenance, with snow removal and anti-slip protection, and summer maintenance, such as repairs and asphalt work. In addition, Terrator offers services in green area management, road safety and light infrastructure projects. Through operational efficiency, Terrator has achieved a high and profitable growth. Terrator AB's share is traded on Nasdaq First North Growth Market in Stockholm (ticker TERNOR). The Company's Certified Adviser is DNB Carnegie Investment Bank AB.
