Terranor A/S, a subsidiary of the Terranor Group, has won a tender in Copenhagen Municipality for daily sweeping and cleaning of sidewalks and pedestrian areas in Copenhagen inner city, running from 1 January 2027 to 31 December 2030. The agreement is valued at DKK 79.2 million (approximately SEK 114.8 million) for the full contract period.

The contract supports Terranor's strategic ambition to strengthen its presence in the Danish municipal market and demonstrates the customer's continued confidence in the company. *"We are pleased to be awarded the contract in Copenhagen Municipality, and we look forward to continuing our good collaboration and keep the center of Copenhagen clean and welcoming for the city's visitors. Daily maintenance of roads is a task that requires both stable delivery, knowledge of local conditions and a solution that works in practice - every day and all year round",* says Ivan Pedersen, CEO Terranor A/S.

In accordance with customary procurement procedures, a mandatory standstill period of 10 days will apply before the contract can be formally signed.
