Press Release

Ostnor changes name to “FM Mattsson Mora Group”

Today, September 7 2015, Ostnor AB (publ) will change name to “FM Mattsson Mora Group AB (publ)”.

The change from Ostnor AB to FM Mattsson Mora Group AB was decided on an extraordinary general meeting on August 10. The new name, FM Mattsson Mora Group AB (publ), has now been approved and registered by the Swedish Companies Registration Office (Bolagsverket).

The new company webpage is fmm-mora.com

FM Mattsson Mora Group AB is a Swedish industry jewel, founded by Frost Matts Mattsson 150 years ago in the little village of Östnor, Dalarna, Sweden. In 1927, one of his two sons started a competing business – Mora Armatur – on the other side of the village street. After seventy-five years evolving side by side, the two companies formed a joint group again in 2003. In 2014, a strategic acquisition of the Danish company Damixa was completed.

Today, FM Mattsson Mora Group is a clear leader and producer of faucets in the Nordic region. The company is positioned to further strengthen its market position in Sweden, expand its market share in the other Nordic countries and establish itself as a niche player on selected markets outside the Nordics. The company is aiming to be an active part in the ongoing restructuring of its industry.

FM Mattsson Mora Group AB (publ) will publish the results for the third quarter on October 22 at 08.00.
