Amplex enters into additional agreements on conditional acquisitions of shares and warrants in ADDvise

Amplex AB ("Amplex") has entered into additional agreements on conditional acquisitions of shares and warrants with shareholders in ADDvise Group AB ("ADDvise"). In total, the shares covered by the conditional acquisitions, previous undertakings and the shares owned or controlled by Amplex represent approximately 56,65 per cent of the share capital and approximately 64.42 per cent of the votes in ADDvise.

On 10 December 2025, Amplex announced a cash offer to the shareholders and warrant holders of ADDvise to acquire all shares and warrants in ADDvise (the "**Offer**"). On 19 December 2025, Amplex decided to increase the consideration to SEK 1.72 in cash per class A and B share, respectively, and SEK 0.52 per warrant of series TO1A and series TO1B, respectively (the "**Revised Offer**"). In connection with the Revised Offer, Amplex entered into agreements on conditional acquisitions of shares and warrants with shareholders, who in aggregate control approximately 21.11 per cent of the share capital and approximately 16.55 per cent of the votes in ADDvise.

Amplex now announces that additional agreements on conditional acquisitions of shares and warrants have been entered into with shareholders who in aggregate control approximately 3.85 per cent of the share capital and approximately 5.15 per cent of the votes in ADDvise, including Erik Hallert, Adam Lytle (through Lytle Capital AB and private holdings) and Peter Trigraszky. In total, the shares covered by the conditional acquisitions, previous undertakings and the shares owned or controlled by Amplex represent approximately 56.65 per cent of the share capital and approximately 64,42 per cent of the votes in ADDvise.

Amplex, chief executive officer, Fredrik Celsing, comments:

"Following our revised Offer, it is very pleasing that additional significant shareholders have undertaken to sell their shares and warrants to Amplex. These acquisitions, together with the shares controlled by Amplex, now represent approximately 56.65 per cent of the shares in the company, which further confirms our belief that ADDvise would benefit from a stable environment that promotes a long-term strategic focus."

Conditional acquisitions of shares and warrants

The agreements include the same conditions as the acquisitions disclosed on 19 December 2025. The acquisitions are conditional upon, with respect to the Offer, the receipt of all necessary permits, approvals, decisions and other actions from authorities or similar, including from the Inspectorate of Strategic Products, in each case on terms which, in Amplex's opinion, are acceptable. Further, the terms for the acquisitions include a so-called top-up payment. The conditional acquisitions will be completed in connection with the first settlement in the Offer. However, not later than 20 March 2026.

Special notice to shareholders and warrant holders in the United States

The Offer described in this press release is made for the issued and outstanding shares and warrants of ADDvise, a company incorporated under Swedish law, and is subject to Swedish disclosure and procedural requirements, which may be different from those of the United States. Holders of shares and/or warrants of ADDvise domiciled in the United States ("**U.S. Holders**") are advised that the shares and warrants of ADDvise are not listed on a U.S. securities exchange and that ADDvise is not subject to the periodic reporting requirements of the U.S. Securities Exchange Act of 1934 (the "**U.S. Exchange Act**"), and is not required to, and does not, file any reports with the U.S. Securities and Exchange Commission (the "**SEC**") thereunder.

The Offer is made in the United States pursuant to Section 14(e) of the U.S. Exchange Act and Regulation 14E thereunder, subject to the exemption provided by Rule 14d-1(c) under the Exchange Act for a Tier I tender offer (the "**Tier I Exemption**"), and otherwise in compliance with the disclosure and procedural requirements of Swedish law, including with respect to withdrawal rights, the Offer timetable, notices of extensions, announcements of results, settlement procedures (including with respect to the time when payment of the consideration is rendered) and waivers of conditions, which may be different from requirements or customary practices in relation to U.S. domestic tender offers.

ADDvise's financial statements and all financial information included herein, or any other documents relating to the Offer, have been or will be prepared in accordance with International Financial Reporting Standards and may not be comparable to the financial statements or financial information

of companies in the United States or other companies whose financial statements are prepared in accordance with U.S. generally accepted accounting principles. The Offer is made to the U.S. Holders on the same terms and conditions as those made to all other shareholders and warrant holders of ADDvise to whom an offer is made. Any information documents, including the offer document, are being disseminated to U.S. Holders on a basis comparable to the method pursuant to which such documents are provided to ADDvise's other shareholders and warrant holders.

It may be difficult for ADDvise's shareholders and warrant holders to enforce their rights and any claims they may have arising under the U.S. federal or state securities laws in connection with the Offer, since ADDvise and Amplex are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. ADDvise's shareholders and warrant holders may not be able to sue ADDvise or Amplex or their respective officers and directors in a non-U.S. court for violations of U.S. securities laws. Further, it may be difficult to compel ADDvise or Amplex and/or their respective affiliates to subject themselves to the jurisdiction or judgment of a U.S. court.

To the extent permissible under applicable law or regulations, Amplex and its affiliates or its brokers and its brokers' affiliates (acting as agents for Amplex or its affiliates, as applicable) may from time to time and during the pendency of the Offer, and other than pursuant to the Offer, directly or indirectly purchase or arrange to purchase shares and/or warrants of ADDvise outside the United States, or any securities that are convertible into, exchangeable for or exercisable for such instruments. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. To the extent required under applicable law or regulations, information about such purchases will be disclosed by means of a press release or other means reasonably calculated to inform U.S. Holders of such information to the extent that such information is made public in ADDvise's home jurisdiction. In addition, the financial advisor to Amplex may also engage in ordinary course trading activities in securities of ADDvise, which may include purchases or arrangements to purchase such securities as long as such purchases or arrangements are in compliance with the applicable law.

The receipt of cash pursuant to the Offer by a U.S. Holder may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each shareholder and warrant holder is urged to consult an independent professional adviser regarding the tax consequences of accepting the Offer. Neither Amplex nor any of its affiliates and their respective directors, officers, employees or agents or any other person acting on their behalf in connection with the Offer shall be responsible for any tax effects or liabilities resulting from acceptance of this Offer.

U.S. Holders are encouraged to consult with their own advisors regarding the Offer.
