About ARENIT Industrie SE
ARENIT is a German industrial group, headquartered in Hamburg. ARENIT acquires and develops small and medium-sized industrial businesses in the German-speaking DACH region. With a decentralized group structure, ARENIT enables its subsidiaries to retain significant autonomy in day-to-day operations, while benefiting from the Group's strategic guidance, networks, financial discipline, and access to capital. This model has allowed ARENIT to build a diversified portfolio across multiple sectors within the DACH region, positioning the Group as a preferred partner for business owners seeking a long-term, value-oriented succession solution for their company.

Today, the Group comprises thirteen operating companies with eleven portfolio companies headquartered in Germany and two in Switzerland. ARENIT's group companies are divided into two business areas: (i) Devices and Industrial Solutions, and (ii) Precision Manufacturing.

FNCA Sweden AB is the Certified Adviser of the company.

This information is information that ARENIT Industrie SE is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact persons set out above, at 07:00 CEST on 20 November 2026.
