TriCarbs BidCo announces the outcome and extends the acceptance period of the Offer to the shareholders of Cint Group AB (publ)

On 27 April 2026, a consortium, today consisting of Triton Fund 6¹ and Bolero² (the "Consortium"), announced, through TriCarbs BidCo AB³ ("TriCarbs BidCo"), a recommended cash offer to acquire all outstanding shares in Cint Group AB (publ) ("Cint") at a price of SEK 5.60 per share (the "Offer"). Today, TriCarbs BidCo announces that TriCarbs BidCo has resolved to extend the acceptance period of the Offer.

The shares tendered into the Offer at the expiry of the initial acceptance period on 22 June 2026, together with the shares already held or controlled by the Consortium through Bolero, amount to a total of 149,024,288 shares, corresponding to approximately 42.0 per cent of the total number of shares and votes in Cint. Prior to the announcement of the Offer, Bolero owned, and continues to own, 105,158,480 shares in Cint, corresponding to approximately 29.6 per cent of the total number of shares and votes in Cint. At the expiry of the initial acceptance period on 22 June 2026, the Offer had been accepted by shareholders representing a total of 43,865,808 shares in Cint, corresponding to approximately 12.4 per cent of the total number of shares and votes in Cint.

The completion of the Offer is conditional upon, inter alia, the Offer being accepted to such extent that TriCarbs BidCo becomes the owner of more than 90 per cent of the total number of outstanding shares in Cint. In the Offer, TriCarbs BidCo has reserved the right to extend the acceptance period and to postpone the settlement date. To allow for higher acceptance level in the Offer, TriCarbs BidCo has decided to extend the acceptance period until 17:00 CEST on 7 July 2026.

For those shareholders in Cint who accepted the Offer during the initial acceptance period, as well as those shareholders who accept the Offer during the extended acceptance period, settlement will be initiated as soon as TriCarbs BidCo has announced that the conditions for the Offer have been satisfied or TriCarbs BidCo otherwise decides to complete the Offer. Subject to such announcement being made no later than on or around 9 July 2026, settlement is expected to commence on or around 15 July 2026.

TriCarbs BidCo reserves the right to shorten the acceptance period and set an earlier date for settlement, and to extend the acceptance period and postpone the date for settlement.

The terms of the Offer will remain otherwise unchanged, including the conditions for the completion of the Offer set out by TriCarbs BidCo. Accordingly, TriCarbs BidCo reserves the right to withdraw the Offer in the event that it is clear that the conditions for the completion of the Offer are not satisfied or cannot be satisfied. TriCarbs BidCo furthermore reserves the right to waive, in whole or in part, one, several or all of the conditions for the completion of the Offer, including to complete the Offer at a lower level of acceptance.

² "Bolero" refers to Bolero Holdings SARL.

³ TriCarbs BidCo AB is a newly established Swedish private limited liability company with company registration number 559581-3097, that is currently owned (indirectly) by Triton Fund 6 and will, at completion of the Offer become co-owned by all members of the Consortium.

Thomas Hofvenstam, Fund Managing Partner and Co-Head of Triton Mid-Market at Triton Partners, comments:

"Cint is at a critical juncture. The data-driven insights market is undergoing a fundamental shift, which increases the need for scale, advanced analytics and speed. At the same time, AI is reshaping how research is bought and delivered, creating potential risks that the Company needs to address. Reaching Cint's full potential requires an accelerated pace of execution, as well as continued and increased investment. These initiatives entail significant execution risk, as well as pressure on both margins and cash generation, and we remain convinced that they can be better executed in a private setting. We are therefore extending the acceptance period to provide remaining shareholders with an additional opportunity to accept the Offer and realise immediate, certain value at an attractive premium."

Neither TriCarbs BidCo nor the members of the Consortium, nor any closely related parties to them, have acquired any shares in Cint outside the Offer.

Apart from the above, neither TriCarbs BidCo nor any of the members of the Consortium, nor any closely related parties to them, owns or controls any shares in Cint or other financial instruments that provide a financial exposure equivalent to a shareholding in Cint at the time of this announcement. Nor has TriCarbs BidCo, any of the members of the Consortium or any closely related parties to them acquired or agreed to acquire any shares in Cint or any other financial instruments that provide a financial exposure equivalent to a shareholding in Cint at a price exceeding the Offer Price during the six months preceding the announcement of the Offer. To the extent permitted by applicable laws and regulations, TriCarbs BidCo and the members of the Consortium may acquire, or enter into arrangements to acquire, shares in Cint outside the Offer at a price per share not exceeding the Offer Price. Any such acquisitions or arrangements will be carried out in accordance with Swedish law and the Takeover Rules and will be made public in accordance with applicable rules. A shareholder who wishes to accept the Offer but does not want to await payment of the consideration may seek to sell their shares in the market.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. Actual results may differ materially from those expressed or implied by these forward-looking statements due to many factors, many of which are outside the control of TriCarbs BidCo. Special notice to shareholders in the United States

The Offer described in this press release is made for the issued and outstanding shares of Cint, a company incorporated under Swedish law, and is subject to Swedish disclosure and procedural requirements, which may be different from those of the United States. Holders of shares in Cint domiciled in the United States ("**U.S. Shareholders**") are advised that the shares of Cint are not listed on a U.S. securities exchange and that Cint is not subject to the periodic reporting requirements of the U.S. Securities Exchange Act of 1934 (the "**U.S. Exchange Act**"), and is not required to, and does not, file any reports with the U.S. Securities and Exchange Commission (the "**SEC**") thereunder.

In the United States, the Offer is subject to the requirements of the U.S. Exchange Act, and the rules and regulations promulgated thereunder, including Section 14(e) of the U.S. Exchange Act and Regulation 14E thereunder, in each case to the extent applicable, subject to the exemption provided under Rule 14e-1(d) under the U.S. Exchange Act (the "**Tier II Exemption**").

The Offer will otherwise be made in compliance with the disclosure and procedural requirements of Swedish law, including with respect to withdrawal rights, the Offer timetable, notices of extensions, announcements of results, settlement procedures (including as regards to the time when payment of the consideration is rendered) and waiver of conditions, which may be different from the requirements or customary practices in relation to U.S. domestic tender offers. As permitted under the Tier II Exemption, the settlement of the Offer is based on the applicable Swedish law provisions which differ from the settlement procedures customary in the United States, particularly as regards the time when payment of the consideration is rendered. The Offer, which is subject to Swedish law, is being made to the U.S. Shareholders in accordance with the applicable U.S. securities laws, and applicable exemptions thereunder, including the Tier II Exemption. To the extent the Offer is subject to U.S. securities laws, those laws only apply to U.S. Shareholders and thus will not give rise to claims on the part of any other person. The U.S. Shareholders should consider that the Offer Price is being paid in SEK and that no adjustment will be made based on any changes in the exchange rate.

Cint's financial statements and all financial information included herein, or any other documents relating to the Offer, have been or will be prepared in accordance with International Financial Reporting Standards and may not be comparable to the financial statements or financial information of companies in the United States or other companies whose financial statements are prepared in accordance with U.S. generally accepted accounting principles. The Offer is made to the U.S. Shareholders on the same terms and conditions as those made to all other shareholders of Cint to whom an offer is made. Any information documents, including the offer document, are being disseminated to U.S. Shareholders on a basis comparable to the method pursuant to which such documents are provided to Cint's other shareholders.

It may be difficult for Cint's shareholders to enforce their rights and any claims they may have arising under the U.S. federal or state securities laws in connection with the Offer, since Cint and TriCarbs BidCo are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. Cint's shareholders may not be able to sue Cint or TriCarbs BidCo or their respective officers and directors in a non-U.S. court for violations of U.S. securities laws. Further, it may be difficult to compel Cint or TriCarbs BidCo and/or their respective affiliates to subject themselves to the jurisdiction or judgment of a U.S. court.

To the extent permissible under applicable law or regulations, TriCarbs BidCo and its affiliates or its brokers and its brokers' affiliates (acting as agents for TriCarbs BidCo or its affiliates, as applicable) may from time to time and during the pendency of the Offer, and other than pursuant to the Offer, directly or indirectly purchase or arrange to purchase shares of Cint outside the United States, or any securities that are convertible into, exchangeable for or exercisable for such instruments. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. To the extent required under applicable law or regulations, information about such purchases will be disclosed by means of a press release or other means reasonably calculated to inform U.S. Shareholders of such information to the extent that such information is made public in Cint's home jurisdiction. In addition, the financial advisor to TriCarbs BidCo may also engage in ordinary course trading activities in securities of Cint, which may include purchases or arrangements to purchase such securities as long as such purchases or arrangements are in compliance with the applicable law.

The receipt of cash pursuant to the Offer by a U.S. Shareholder may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each shareholder is urged to consult an independent professional adviser regarding the tax consequences of accepting the Offer. Neither TriCarbs BidCo nor any of its affiliates and their respective directors, officers, employees or agents or any other person acting on their behalf in connection with the Offer shall be responsible for any tax effects or liabilities resulting from acceptance of this Offer.

U.S. Shareholders are encouraged to consult with their own advisors regarding the Offer.
