

PRESS RELEASE

Change in number of shares and votes in Hufvudstaden

When the total number of shares or votes in the company changes, the company shall by law publish information regarding the change.

At the 2001 Annual General Meeting, a share conversion clause was added to Hufvudstaden's articles of association. Shareholders have the right at any time to request conversion of series C shares to series A shares. During the month of December 2022, 10 series C shares were converted to series A shares.

Through the share conversion, the total number of votes in the company has decreased from 1,030,183,400 to 1,030,182,410 votes. The total number of registered shares in the company following the conversion amounts to 211,271,933, of which 203,000,110 are series A shares and 8,271,823 are series C shares. Of the total number of registered shares Hufvudstaden owns 8,965,000 series A shares.
