

## Invitation to Stockholm Film Festival's press conference with François Ozon

**The French filmmaker François Ozon visits Stockholm as the recipient of Stockholm Visionary Award. His new film *Frantz* is one of the festival's highlights. He will also participate in a press conference during his visit, where he will answer questions from journalists.**

The press conference is scheduled on Friday November 11 at 2pm. The recipient of Stockholm Visionary Award visits Stockholm with one of the festival highlights, his new film *Frantz*, which has been praised by audience and critics. Here is the motivation from the Stockholm Visionary Award jury:

This year's winner of the Stockholm Visionary Award is the subversive and distinctly poetic François Ozon. With stylistic flair and precision, Ozon is a true master at looking into our inner, always with his trademark dark satire and an introspective looking glass that is passed on to the audience during the course of the film.

RSVP no later than Friday November 4 to [pressassistant@stockholmfilmfestival.se](mailto:pressassistant@stockholmfilmfestival.se) and wait for a confirmation. The place will be revealed in the confirmation email.
