

Directors and actors attending Stockholm Film Festival 2016

As we approach the beginning of the Stockholm International Film Festival, it is now time to book interviews.

Over 80 directors and actors from the international film industry are attending the 26th edition of the Stockholm Film Festival. Nearly all competing directors, all jury members and many others will be in Stockholm.

The jury for the Stockholm Impact Award includes the directors Sofia Exarchou, Alankrita Shrivastava and Mohammed Hammad. For the Stockholm XXVII Competition the jury members are the producer Annika Rogell, directors Roland Vranik, Wayne Roberts, Frida Kempff and actress Julia Ragnarsson. The Stockholm Documentary Competition jury consists of directors Göran Olsson, Nahid Persson, and Anna Persson. And for the Stockholm XXVII Short Film Competition, the directors Malin Erixon, Xander Robin and Michael O'Shea.

Make your interview requests by contacting the press department via email or phone, or make them via the press center at Hotel Kungsträdgården.

Only accredited journalists can make interview requests. And for those who haven't been accredited, follow the link: www.stockholmfilmfestival.se/en/press.
