Northland is a producer of iron ore concentrate, with a portfolio of production, development and exploration mines and projects in northern Sweden and Finland. The first construction phase of the Kaunisvaara project is complete and production ramp-up started in November 2012. The Company expects to produce high-grade, high-quality magnetite iron concentrate in Kaunisvaara, Sweden, where the Company expects to exploit two magnetite iron ore deposits, Tapuli and Sahavaara. Northland has entered into off-take contracts with three partners for the entire production from the Kaunisvaara project over the next seven to ten years. The Company is also preparing a Definitive Feasibility Study (“DFS”) for its Hannukainen Iron Oxide Copper Gold (“IOCG”) project in Kolari, northern Finland.
