New Managing Director appointed in the Netherlands

Mr Mark Meijer was recently appointed Managing Director for Zacco's Dutch operation, Zacco Netherlands and will be working from the office in Amsterdam. Mark takes over from Steffen Moldow, who has been acting Managing Director since September 2011 and will also be part of Zacco's Group Management team.

Mark Meijer most recently comes from Boyden – Global Excecutive Search where he worked as partner responsible for a portfolio of interim executive management assignments. Before joining Boyden Mark worked as Managing Director at Elan Computing Ltd and his experience also includes working in other professional services firms such as Gartner Inc, and Resource Global Professionals.

"We are very happy that Mark Meijer has joined Zacco. Mark's extensive experiences from leading professional services companies in an international environment will be of great value to us on our way towards building a successful IP business in the Benelux area. Mark is a dynamic person and strong team builder, and we are convinced he is the right person for us to lead Zacco into the future in the Netherlands", says Hans-Bertil Håkansson, CEO Zacco.
