About Tobii

Tobii is the global leader in eye-tracking technology and solutions, targeting application areas such as scientific studies & research, healthcare, education and training, gaming, extended reality (VR & AR), and automotive. Our mission is to build technology that understands human attention and intent for a better future — what we call attention computing. Tobii also operates Tobii Dynavox, the world's largest supplier of communication aids for individuals with disabilities. Tobii Dynavox's solutions with hardware, software, and comprehensive services enable people with disabilities to communicate and live more independent lives. Tobii's eye-tracking equipment is used by thousands of enterprises and research institutes around the globe, including 99 of the world's top 100 universities. Headquartered in Sweden, Tobii is listed on Nasdaq Stockholm (TOBII). For more information: www.tobii.com.
