

CAPITAL ORAL and FACIAL SURGERY CENTER TO HOST FREE SEMINAR AT MAYFLOWER RENAISSANCE HOTEL

Dr. Virginia Expert in "Same Day Smile" will teach you how you can change your appearance in one day

Washington, DC – Dr. Virginia Lee, of Capital Oral & Facial Surgery Center of Washington, DC is hosting and presenting a patient seminar entitled "**Same Day Smile**" at The Mayflower Renaissance Washington, DC Hotel on July 24, 2012 from 6-8 pm.

"The Same Day Smile is a revolutionary new procedure where we can literally give you a whole new smile in just ONE DAY. These are permanent dentures that are attached to implants and are the closest thing to your real teeth," says Dr. Virginia Lee of Capital Oral and Facial Surgery Center

Dr. Lee will explain the latest in implant and permanent denture technology, which can be accomplished in one day at Capital Oral and Facial Surgery. Special guest appearances by patients who have received the Same Day Smile. The seminar is **FREE** and open to the general public by reservation.

If you have ever thought about dentures, implants or just fixing your smile in general, you don't want to miss this seminar. This is your chance to meet some of Dr. Lee's patients who have undergone the procedure and hear first-hand how happy they are with their new smile.

To make a reservation and attend this informative seminar, please contact Capital Oral and Facial Surgery at (202)296-6600. Seats are limited and reservations will be taken on a first come basis. Refreshments will be served.
