

## **Akelius Residential Property AB (publ)**

### **Akelius acquires property portfolio in New York**

The portfolio consists of 378 apartments in six properties in central Brooklyn. The properties are located in Crown Heights, Flatbush and Prospect Lefferts, neighborhoods with a good selection of shops and cafés. Accessibility to public transport is good.

The price was SEK 1 022 million. This is the sixth acquisition in New York. Akelius now owns two properties in Manhattan and nine in Brooklyn.
