

## **Akelius Residential AB (publ)**

### **Approved bond prospectus**

On 18 June 2014 Akelius Residential AB (publ) announced that the company will issue a bond loan of SEK 350 million, within a maximum amount of SEK 1,500 million.

The company's application for the listing of the bond loan on NASDAQ OMX Stockholm has been approved. The first day for trading is 15 July 2014. In connection with the listing the company has produced a prospectus which has been approved by Finansinspektionen, the Swedish supervisory agency. The prospectus will be available online at the company's web page [www.akelius.se](http://www.akelius.se) and at Finansinspektionen's web page [www.fi.se](http://www.fi.se).
