

## **Akelius Residential Property AB (publ)**

### **Akelius issues EUR commercial papers**

Akelius establishes a EUR 200 million Finnish commercial paper program. Swedbank is arranger and dealer of the program.

In connection with the launch of the program, Akelius' short term rating from Standard & Poor's remains unchanged at A-3.

Leiv Synnes, CFO: With a large portfolio of EUR assets it is natural to seek EUR funding. It matches our needs as an international company and our ambition to increase the presence in the capital market.
