

Akelius Residential Property AB (publ)

Akelius considers restructure

The Akelius Board has discussed, but not decided, the disposal of mature properties in Sweden, Denmark, and Germany.

Akelius continually considers acquisitions and disposals in the ordinary course of its business.

No negotiations with any potential buyer are currently taking place.

Ralf Spann, CEO:

- Pension funds or companies with a perspective of twenty, thirty years look for quality properties in central locations.
Akelius stands to make a very good deal if a disposal is decided upon.
