PRESS RELEASE

## Tele2 signs new agreement with Stena Fastigheter

**Tele2 (“Tele2”) (Nasdaq Stockholm: TEL2 A and TEL2 B) announces it has signed a new agreement with Stena Fastigheter following a procurement process. Tele2 will deliver communication solutions to over 26,000 apartments and 2,000 commercial tenants in Sweden.**

The agreement Tele2 has signed with Stena Fastigheter is a combination deal that includes Tele2 consumer and business services as well as the communications operator iTUX and Tele2 IoT. The agreement runs until 2029.

- We look forward to being able to develop and offer more services to our tenants together with Tele2. Through this collaboration, we are taking the next step in digitizing our customer journey and offering more services, says Peter Mikulic, Head of Digital Transformation, Stena Fastigheter.

The new agreement will enable automation and increased security in the administrative network. Stena Fastigheter also has the option of adding solutions for wireless connection based on Wi-Fi and IoT communication.

- The solution that Tele2 delivers to Stena Fastigheter includes services from all Tele2's business areas and shows our strength as a complete partner for landlords. Stena Fastigheter has come a long way in its digitization journey and is now taking another big step forward. We are proud and happy to be an important partner in their continued development, says Stefan Petersson, Director Landlord sales, Tele2.
