

Elekta announces changes to its Executive Management team

STOCKHOLM, May 8, 2014 – Elekta announced today that it has appointed **Åsa Hedin** as Executive Vice President (EVP) Corporate Strategy, assuming responsibility for Strategy, Marketing and Education & Training. Elekta also announced that **Maurits Wolleswinkel** has been appointed as EVP Neuroscience from August 1, 2014.

Åsa Hedin will continue to report to Elekta's new CEO, Niklas Savander, as a member of the Executive Management team. She has led Elekta Neuroscience since 2007. Earlier in her career, Åsa held executive positions at Siemens Healthcare and Gambro AB.

Maurits Wolleswinkel will become a new member of the Executive Management team. Maurits joined Elekta Brachytherapy in 2011 from Philips Healthcare and is currently responsible for Brachytherapy Business Line Management.

Elekta President and CEO, Niklas Savander, says: "I am very happy with both appointments. Åsa's experience and skills make her well suited for this new critical role in the company. The functions under her leadership form a critical platform for Elekta's future success. Maurits is a talented leader whose broad cross-functional experience is ideal for our Neuroscience business. He will focus on continuing the growth of this patient-centric business together with our dedicated customers."
