

## **Elekta Ltd and Medical Intelligence Medizintechnik GmbH defend claims by humediQ GmbH**

CRAWLEY, UK, December 2, 2014 – humediQ GmbH has initiated legal proceedings against two companies in the Elekta (EKTA-B.ST) group.

The dispute relates to an agreement from October 2011 for exclusive supply of Identify™ under the Elekta label. Identify is a patient identification and setup verification product.

Recently, a dispute arose between Elekta and humediQ relating to certain terms of the agreement. Now, humediQ is claiming damages from Elekta for an amount of approximately EUR 16 million.

Elekta believes that the claims have no merit and intends to defend them vigorously and assert counterclaims against humediQ.
