

Handelsbanken

Press release

Stockholm, 19 December 2018

New Chief Economist at Handelsbanken

Christina Nyman has been appointed as the new Chief Economist at Handelsbanken. She is currently the Bank's Head of Forecasting.

Ann Öberg has been appointed Head of a new, Group-wide analysis unit – Global Research – which includes macro research, equity research and credit research. She will therefore be leaving her position as Chief Economist and Head of Economic Research.

Lena Fahlén has been appointed the new Head of Economic Research. Her current role is the Bank's Deputy Head of Economic Research.
