

## ***Press Release***

### **Addtech acquires Synthecs B.V.**

**Addtech Components, a business area in the Addtech Group, has today signed an agreement to acquire all shares outstanding in Synthecs B.V. including subsidiaries.**

The operations in the Synthecs group is mainly conducted by the subsidiaries Isotron Systems in the Netherlands and Belgium. The group provides automation components and systems in the field of sensors, machine vision, industrial PC' s, Plc's etc. to the industrial sector in the Benelux.

The Synthecs group will very effectively complement Addtech's current operations in Addtech Components. The Company has 50 employees and sales of EUR 14 million.

The closing is estimated to take effect in the beginning of April 2018 and to have a marginally positive effect on Addtech's earnings per share during next financial year.
