### **Addtech acquires Impact Air Systems Ltd and Impact Technical Services Ltd**

**Addtech Industrial Process, a business area in the Addtech Group, has on 21 January signed an agreement to acquire 100 % of the shares in Impact Air Systems Ltd and Impact Technical Services Ltd, ("Impact"). The agreement was signed after the market closed.**

Impact provides waste and trim extraction and separation systems to various industries and recycling facilities around the world. They also provide service and maintenance and LEV system design, installation and testing. The company's bespoke solutions contribute to a more sustainable management of waste and the circular economy. Impact has its registered office in Leicester, England, with agents on key markets.

Impact will complement Industrial Process' current operations in the business unit Industrial Solutions. The company has 33 employees and sales of around 8 MGBP.

*"With Impact we continue to focus on and develop our offering of sustainable solutions to our customers", says Addtech's CEO Niklas Stenberg.*

*"Addtech as a long-term owner offers both an excellent and exciting opportunity to further develop our business and solutions. We are looking forward to taking Impact to the next level", says Impact's MD, Nick Ball.*

The closing took place 21 January and is estimated to have a marginal positive effect on Addtech's earnings per share during the current financial year.
