### **Addtech acquires Axion AG**

**Addtech Industry, a business area in the Addtech Group, has today signed an agreement to acquire 80 % of the shares outstanding in Axion AG ("Axion").**

Axion develops and supplies camera and sensor systems for vehicles, with a focus on improved safety. The company offers customized solutions for everything from trucks to buses, passenger cars, and utility vehicles. Axion is headquartered in Ulm, Germany, employs 28 people and has an annual turnover of approximately EUR 23 million.

Axion will become part of and complement our existing operations within the Vehicle Solution business unit.

The acquisition is conditioned on approval from relevant competition authorities and closing is estimated to take place at the beginning of January 2026. The acquisition is expected to have a marginally positive impact on Addtech's earnings per share during the current financial year.
