

Press release

Addtech acquires BCK Holland B.V. and Kramer & Duyvis B.V.

Addtech Automation, a business area in the Addtech Group, has today signed an agreement to acquire 100 % of the shares outstanding in BCK Holland B.V. ("BCK") and Kramer & Duyvis B.V. ("K&D").

BCK and K&D manufacture and market, in collaboration but under their own brands, conveyor systems primarily for European system integrators within packaging-, food & beverage-, and mechanical industry. The two companies share headquarters in Waalwijk, Netherlands, employ 35 people, and have a total annual turnover of approximately EUR 8 million.

The companies will become part of and complement our existing operations within the Motion & Drives business unit.

Closing will take place at the beginning of January 2026. The acquisition is expected to have a marginally positive impact on Addtech's earnings per share during the current financial year.
