

Press release

Addtech acquires Staka Holding B.V.

Addtech Safety, a business area in the Addtech Group, has today signed an agreement to acquire 100 % of the shares outstanding in Staka Holding B.V. ("Staka").

Staka designs, manufactures, and sells customized outdoor enclosures primarily to European installation and OEM customers across sectors such as energy, infrastructure and water management. The company is headquartered in Oosterhout, Netherlands, employs 60 people, and has an annual turnover of approximately 15 million EUR.

Staka complements and strengthens our existing business with focus on reliable installations within the business unit System Security.

Closing will take place today. The acquisition is expected to have a marginally positive impact on Addtech's earnings per share during the current financial year.
