## **Change in Telia Company's Nomination Committee**

**At the Annual General Meeting 2 April 2020, Patricia Hedelius was elected as a member of the Nomination Committee as the representative for AMF Försäkring and AMF Fonder ("AMF"). AMF has informed the Chair of the Nomination Committee that it, because of a decrease in its holding in Telia Company, wants to step down from the Nomination Committee.**

In accordance with the Instruction for the Nomination Committee, the Nomination Committee has decided to offer a seat in the Nomination Committee to Handelsbanken Fonder, thereby reflecting the ownership in Telia Company. Handelsbanken Fonder has accepted the offer and will be represented by Lilian Fossum Biner.

After this change, the Nomination Committee of Telia Company consists of Daniel Kristiansson, Chair (the Swedish State), Jan Andersson (Swedbank Robur Fonder), Javiera Ragnartz (SEB Fonder) and Lilian Fossum Biner (Handelsbanken Fonder).
