Telia Company AB extends the acceptance period for the recommended cash offer to the shareholders of Bredband2 i Skandinavien AB

On July 18, 2025, Telia Company AB¹ ("Telia") announced a recommended public offer to the shareholders of Bredband2 i Skandinavien AB ("Bredband2") to tender all shares in Bredband2 to Telia (the "Offer"). An offer document regarding the Offer was made public by Telia on August 29, 2025. The acceptance period for the Offer, which commenced on September 1, 2025 and was initially set to end on October 17, 2025, is now extended until January 30, 2026.

The completion of the Offer is conditional upon, *inter alia*, receipt of all necessary regulatory, governmental or similar clearances, approvals, decisions and other actions from authorities or similar, including from competition authorities, in each case on terms which, in Telia's opinion, are acceptable. Telia has notified the Swedish Inspectorate for Strategic Products (Sw. *Inspektionen för strategiska produkter*) of the Offer and received confirmation pursuant to the Swedish Screening of Foreign Direct Investments Act (Sw. *lagen (2023:560) om granskning av utländska direktinvesteringar*) that the notification will be left without action. However, competition approval from the Swedish Competition Authority (Sw. *Konkurrensverket*) is still pending.

The Swedish Competition Authority has today informed Telia of its decision to initiate a Phase 2 investigation as part of the competition assessment regarding the potential transaction as a result of the Offer, which means that the Swedish Competition Authority will not have completed its review of the transaction before the end of the initial acceptance period on October 17, 2025. Telia's assessment is that the Swedish Competition Authority's review will instead likely be completed no later than during the second half of January 2026. Telia has therefore decided to extend the acceptance period for the Offer until January 30, 2026, at 15.00 CET. Other than the extension of the acceptance period, the terms and conditions of the Offer remain unchanged.

Settlement for the shares in Bredband2 tendered in the Offer will be initiated as soon as Telia announces that the conditions for completion of the Offer have been fulfilled, or if Telia otherwise decides to complete the Offer. Provided that such announcement takes place no later than February 2, 2026, settlement is expected to be initiated on or around February 6, 2026.

Telia has reserved the right to shorten the acceptance period and bring forward the settlement date, as well as to extend the acceptance period and postpone the settlement date to the extent permissible under applicable laws and regulations. Any such change of the acceptance period or settlement date will be announced by Telia by means of a press release in accordance with applicable laws and regulations.

Special notice to shareholders in the United States

The Offer described in this press release is made for the issued and outstanding shares of Bredband2, a company incorporated under Swedish law, and is subject to Swedish disclosure and procedural requirements, which may be different from those of the United States. The Offer is made in the United States pursuant to Section 14(e) of the U.S. Securities Exchange Act of 1934, as amended (the "U.S. Exchange Act") and Regulation 14E thereunder, to the extent applicable, and otherwise in compliance with the disclosure and procedural requirements of Swedish law, including with respect to withdrawal rights, the Offer timetable, notices of extensions, announcements of results, settlement procedures (including as regards to the time when payment of the consideration is rendered) and waivers of conditions, which may be different from requirements or customary practices in relation to U.S. domestic tender offers. The offeror's ability to waive the conditions to the Offer (both during and after the end of the acceptance period) and the shareholders' ability to withdraw their acceptances, may not be the same under a tender offer governed by Swedish law as under a tender offer governed by U.S. law. Holders of the shares in Bredband2 domiciled in the United States (the "U.S. Holders") are encouraged to consult with their own advisors regarding the Offer.

Bredband2's financial statements and all financial information included herein, or any other documents relating to the Offer, have been or will be prepared in accordance with IFRS and may not be comparable to the financial statements or financial information of companies in the United States or other companies whose financial statements are prepared in accordance with U.S. generally accepted accounting principles. The Offer is made to the U.S. Holders on the same terms and conditions as those made to all other shareholders of Bredband2 to whom an offer is made. Any information documents, including the offer document, are being disseminated to U.S. Holders on a basis comparable to the method pursuant to which such documents are provided to Bredband2's other shareholders.

The Offer, which is subject to Swedish law, is being made to the U.S. Holders in accordance with the applicable U.S. securities laws, and applicable exemptions thereunder. To the extent the Offer is subject to U.S. securities laws, those laws only apply to U.S. Holders and thus will not give rise to claims on the part of any other person. The U.S. Holders should consider that the price for the Offer is being paid in SEK and that no adjustment will be made based on any changes in the exchange rate.

It may be difficult for Bredband2's shareholders to enforce their rights and any claims they may have arising under the U.S. federal or U.S. state securities laws in connection with the Offer, since Bredband2 and Telia are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. Bredband2's shareholders may not be able to sue Bredband2 or Telia or their respective officers or directors in a non-U.S. court for violations of U.S. securities laws. Further, it may be difficult to compel Bredband2 or Telia and/or their respective affiliates to subject themselves to the jurisdiction or judgment of a U.S. court.

To the extent permissible under applicable law and regulations, Telia and its affiliates or its brokers and its brokers' affiliates (acting as agents for Telia or its affiliates, as applicable) may from time to time and during the pendency of the Offer, and other than pursuant to the Offer, directly or indirectly purchase or arrange to purchase shares of Bredband2 outside the United States, or any securities that are convertible into, exchangeable for or exercisable for such shares. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices, and information about such purchases will be disclosed by means of a press release or other means reasonably calculated to inform U.S. Holders of such information. In addition, the financial advisors to Telia may also engage in ordinary course trading activities in securities of Bredband2, which may include purchases or arrangements to purchase such securities as long as such purchases or arrangements are in compliance with the applicable law. Any information about such purchases will be announced in Swedish and in a non-binding English translation available to the U.S. Holders through relevant electronic media if, and to the extent, such announcement is required under applicable Swedish or U.S. law, rules or regulations.

The receipt of cash pursuant to the Offer by a U.S. Holder may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each shareholder is urged to consult an independent professional adviser regarding the tax consequences of accepting the Offer. Neither Telia nor any of its affiliates and their respective directors, officers, employees or agents or any other person acting on their behalf in connection with the Offer shall be responsible for any tax effects or liabilities resulting from acceptance of this Offer.

NEITHER THE U.S. SECURITIES AND EXCHANGE COMMISSION NOR ANY U.S. STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED THE OFFER, PASSED ANY COMMENTS UPON THE MERITS OR FAIRNESS OF THE OFFER, PASSED ANY COMMENT UPON THE ADEQUACY OR COMPLETENESS OF THIS PRESS RELEASE OR PASSED ANY COMMENT ON WHETHER THE CONTENT

IN THIS PRESS RELEASE IS CORRECT OR COMPLETE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE IN THE UNITED STATES.
