

Press release

Gothenburg, 30 September 2020

Changes in Bulten's Group Management

Earlier this year, Bulten acquired the global fastener supplier PSM International (PSM). In connection with the start of the integration work, PSM's CEO Marco Suzuki has chosen to leave his position. Bulten's President and CEO Anders Nyström will take over the management of PSM until a new management structure is in place.

“Marco Suzuki has, since taking over as CEO of PSM in 2018, in an excellent way led PSM to the profitable company it is today. We thank Marco for his efforts and begin the next phase in PSM’s strategic development in the Bulten Group”, says Anders Nyström, Bulten's President and CEO.
