Peab builds apartments in Lørenskog in Norway

Peab has been commissioned to build four apartment buildings in Lørenskog Stasjonsby, a completely new city district emerging in Lørenskog in Norway. The customer is Selvaag Bolig and the order is worth NOK 135 million.

The housing project consists of 88 apartments in total with two, three and four bedroom apartments and a garage. The total size of the project is 9,450 m².

Construction will begin in January 2017 and the project will be ready in May 2018. Peab is the general contractor for this turnkey project.

The project will be order registered in the fourth quarter of 2016.
