## Peab builds nursing home in Helsingborg

**Peab has been commissioned to build a nursing home in Helsingborg. The customer is Helsingborgshem Fyra AB and the contract is worth SEK 173 million.**

The new nursing home will be located in the center of Drottninghög in Helsingborg between Vasatorpsvägen and Blåkullagatan. The project comprises a new nursing home with 80 apartments and a general operational space on the ground floor. The total area of the project is approximately 8,300 m<sup>2</sup> and the client has high ambitions to reduce the project's climate footprint. The project will be built according to the regulations set by Rättvis byggande regarding healthy competition and crime-free construction.

"We're very proud to be entrusted with this project and glad to contribute with our expertise in the construction of a new nursing home in Helsingborg. This project is a great example of how we at Peab work with local community building and create value for both people and society," says Olle Olsson, Region Manager Peab.

The project is a turnkey contract. Construction will start in the spring of 2026 and the nursing home is expected to be completed in the autumn of 2028.

The project will be order registered in the third quarter 2025.
