

Press Release

2 October 2015

Peab builds senior living Hallstahammar

Peab has been contracted to build a home for seniors in Hallstahammar in Västmanland. The client is Hallstahammar municipality and contract amounts to SEK 195 million.

The apartment building will consist of 100 apartments spread over three floors. The entrance will contain an open space and a restaurant and there will be another private section with a healthcare garden residents can relax in.

The project is a turnkey contract with construction start in September 2015 and opening is planned for August 2017.

The project will be reported in the third quarter of 2015th
