

## Erik Wassberg is new CEO of GHP's hospital SKMCA in UAE

GHP has appointed Erik Wassberg, MD, Ph.D., as new CEO of the Hospital Group Sheikh Khalifa Medical City Ajman (SKMCA) in UAE. Erik was previously Hospital Director for Sheikh Khalifa Hospital in Masfoot, one of the hospitals within SKMCA.

"With his extensive leadership experience and proven ability to work successfully in the local culture, I am convinced that Erik will contribute strongly to SKMCA's success", says Daniel Öhman, CEO of GHP Specialty Care.

Barbro Fridén has decided, for personal reasons to quit as CEO of SKMCA. During her remaining contract period until 31 October, she supports the transition.

"We are grateful for Barbro's efforts during this challenging start-up period and we believe that we have laid a good foundation for the future", says Tobias Linebäck, CEO GHP International.

*GHP is an internationally active health care provider that operates specialist clinics in a select number of diagnostic areas through the application of a business model that is unique in the health care industry, where leading doctors become partners and shareholders. Each clinic specialises in a particular patient group, and this leads to increased efficiency and higher quality. This is the cornerstone of GHP's business philosophy – "Quality through specialisation". GHP shares are traded on the Small Cap list of Nasdaq Stockholm under the ticker symbol "GHP".*
