Global Health Partner is an internationally active healthcare provider that operates specialist clinics in a select number of treatment areas through the application of a business model that is unique in the healthcare industry, where leading doctors become partners and shareholders. Multiple clinics with high patient volumes within the same area of treatment produce increased efficiency and higher quality, which is the cornerstone of Global Health Partner's business philosophy – “Quality through Specialisation”. Global Health Partner's shares are traded on the Small Cap list at NASDAQ OMX Stockholm under the abbreviation “GHP”.
