Latour divests its shares in Batec Mobility S.L.U.

Investment AB Latour (publ) has, through its wholly owned business area Latour Industries AB, signed an agreement to divest all shares in the wholly-owned subsidiary Batec Mobility S.L.U (Batec) to Decon Wheel AB ("Decon"), based in Hyltebruk, Sweden. The transaction is expected to be completed no later than October 2025 and is subject to customary divestment conditions.

Batec is a manufacturer of electric and manual handbikes with an annual revenue of approximately EUR 5 million and has approximately 40 employees. With Decon as a new owner, the company will get great support to further develop Batec's product offering.

The divestment has no material effect on the Latour Group's financial position.
