About Sherwin-Williams Product Finishes

Since 1866, Sherwin-Williams has provided manufacturers and finishers with the coatings they need to make their products look better and last longer, while helping their operations meet productivity and sustainability goals. For both wood and general industrial markets, our innovative solutions go beyond our innovative liquid and powder coatings to include on-site technical assistance, customised products, colour and design services, and process improvement expertise. We're more than a coatings provider – let us show you how we will be your coatings solution partner. oem.sherwin-williams.com.

About The Sherwin-Williams Company

Sherwin-Williams is a global leader in the development, manufacture and sale of coatings and related products with more than 47,000 employees and business in 120 countries. The company goes to market through more than 4100 company-operated paint stores, automotive branches, and industrial distributors. With annual sales of nearly \$12 billion, it is the largest coatings manufacturer in the United States, and the third largest world-wide.
