University of Chicago *Spanish-English Dictionary* App now available

App of bestselling concise dictionary is an essential reference for language learners in the classroom or on the go.

The University of Chicago Press is pleased to announce the release of a new app based on its bestselling *University of Chicago Spanish-English Dictionary*. This precise and practical bilingual application features the content of newly released sixth edition of the *University of Chicago Spanish-English Dictionary* which was thoroughly revised to reflect the most current vocabulary and usage in both languages.

With 6,000 new entries that cover new technology, sports, business and medical terms (Ponzi scheme, streaming video, Heimlich maneuver, and two-point conversion, just to name a few) the University of Chicago *Spanish-English Dictionary* App is the most up-to-date dictionary content available.

Designed by mpressInteractive, LLC (the group behind the spectacular *LetterMPress* iPad® App), the University of Chicago *Spanish-English Dictionary* App for iPhone® and iPod touch® brings together gorgeous design and intuitive functionality with accurate, reliable content. Browse or search the full contents to display all instances of a term for fuller understanding of how it is used in both languages. Build your vocabulary with activities by creating personalized word lists and testing yourself on terms you need to master with flash cards and multiple choice quizzes. Receive instant results on your accuracy in easy to read graphs with percentages shown to gauge improvement over time.

Whether you are preparing for next week's class or upcoming international travel, the University of Chicago *Spanish-English Dictionary* App is the essential on-the-go learning tool.
