

## Scila and FIMAS to co-host trade compliance event in Frankfurt

**Scila AB and FIMAS GmbH, its implementation partner for the German market, will host a round table on trade compliance in Frankfurt.**

On January 21st, a round table on the subject of the current regulatory climate for trading and compliance in the German marketplace will be hosted by Frankfurt-based business and technology consultants, FIMAS and Stockholm-based leading provider of trade surveillance and compliance solutions, Scila.

The key note speaker, Dr. Ekkehard M. Jaskulla, a renowned financial specialist and lawyer, will focus on the special organizational requirements for algorithmic trading of financial institutions.

The attendees of the workshop will include surveillance, risk, and compliance staff from financial firms active in the German marketplace. The workshop will cover current trade regulation (e.g. MiFID II, EMIR, ESMA Guidelines, HFT Act), the special organizational requirements for algorithmic trading of financial institutions, and technical solutions to comply with this.
