

Press release 2018-01-03

Ambea acquires Tiltaksgruppa fokus

Ambea continues to grow in Norway through the acquisition of Tiltaksgruppa fokus, active within care and support for children and young with special needs.

Rune Haugan founded Tiltaksgruppa fokus in 2009. The business consists of residential care, family care and support within education. Revenue 2016 was approx. 63 MNOK. Tiltaksgruppen fokus is situated in Østlandet mainly in the municipality of Fredrikstad- och Sarpsborg

- We are pleased that Tiltaksgruppa fokus has chosen to be part of Ambea Norway. It will complement our existing operations in the region and create opportunities for experience and knowledge exchange, says Truls Navestad, Head of Division Ambea Norway.

Ambea is present within care services and has around 14,000 employees. Ambea offers services within disabled care, individual and family care and elderly care, with a focus on residential care and own management. We strive to be the quality leaders in all we do – and our vision is to make the world better, one person at a time. As of December 31, 2016, Ambea had approximately 6,200 beds and 1,300 school-/daily activity-placements in around 460 units across Sweden and Norway. Total sales and adjusted EBITA for the 2016 financial year amounted to SEK 5,409 million and SEK 456 million. The company was founded in 1996 and its head office is located in Solna, Sweden. Ambea is listed on Nasdaq Stockholm
