### About Lifco

*Lifco acquires and develops market-leading niche businesses with the potential to deliver sustainable earnings growth and robust cash flows. The Group has three business areas: Dental, Demolition & Tools and Systems Solutions. Lifco is guided by a clear philosophy centred on long-term growth, a focus on profitability and a strongly decentralised organisation. At year-end, the Lifco Group consisted of 132 companies in 26 countries. In 2016, the Group reported EBITA of SEK 1,377 million on net sales of SEK 9.0 billion. The EBITA margin was 15.3 per cent.
