Colombian label "Caffé" fascinates with unique looks

Dazzling sun, sparkling bays and hot rhythms - this summer, www.beachfashionshop.com guarantees temperamental looks on the beach. The creations by the Colombian swimwear label "Caffé" fascinate with precious materials, feminine silhouettes and exquisite ornaments, created in finest craftsmanship. Cultural influences, exotic locations and current beachwear trends come together in the designs and produce stunning must-haves. Thanks to beachfashionshop.com now fashionistas all over the world can enjoy the coveted luxury swimwear.

Bold mermaids will be best dressed in the elegant bikinis and delicate silk dresses by the Colombian swimwear label "Caffé". The designs will provide for that extra touch of luxury in the main hot spots of the summer.

Excitingly striking is the silk dress "Tropical Feeling", which on the beach will spark a colour firework. A turquoise Pharaonic border with elaborate embroidery decorates the V-neck of the airy silk dress. Supreme eye-catcher: the low-cut sleeves and the asymmetrical hemline.

In the bikini "Pink Power" all fashion queens can show off their styling power. The slightly shiny bikini has a shapely bandeau top and is fitted with a colourful strap that is tied at the neck. The bikini top will be in the centre of attention thanks to its sophisticated ruffles and plunging neckline. A bikini for all sexy beach babes who love stylish appearances on the most beautiful beaches around the world.

The perfect companion for a day at the beach is the nude-coloured beach bag in practical pouch shape. The round, pink handle and the orange tassels of the beach bag set great colour accents and are finished by gold-coloured details such as the logo emblem. All beach beauties this summer will ditch their old bag and pick up this it-piece by Caffé.
