Press release April 12, 2021

Mekonomen publishes prospectus and has been approved as issuer of fixed income instruments by Nasdaq Stockholm

On March 11, 2021, Mekonomen AB announced that the company had issued a senior unsecured bond of SEK 1.25 billion, within a framework amount of SEK 2 billion, maturing March 18, 2026 (the "**Bonds**").

Mekonomen AB has applied for approval by Nasdaq Stockholm AB as issuer of fixed income instruments, in order to have the Bonds admitted to trading on Nasdaq Stockholm's corporate bond list.

By reason of this, Mekonomen AB has prepared a prospectus. The prospectus has today been approved by and registered with the Swedish Financial Supervisory Authority (Sw. *Finansinspektionen*). The prospectus is available on the Swedish Financial Supervisory Authority's website (www.fi.se) and Mekonomen Group's website (www.mekonomen.com).

Mekonomen AB has today been approved by Nasdaq Stockholm as issuer of fixed income instruments and will therefore apply for admission for trading of the Bonds on Nasdaq Stockholm's corporate bond list as soon as possible. Estimated first trading day is 14 April 2021.
